Verse 1
D E(add4)
I've tasted hoplessness
A/C# D
I know what heartache is
E(add4)
But somehow through all of it
A/C# D
Your love remains
E(add4)
I've lived through brokenness
A/C# D
Feeling face-less
E(add4)
But I'm not anonymous
A/C# D
You know my name

Pre-Chorus
D E(add4) A/C# D
Your word is a light unto my feet
E(add4) A/C# D
Your love is my identity

Chorus
D E(add4)
All that matters
A/C# D
is You make all things new
E(add4) A/C# D
There's no disaster that You cannot undo
E(add4)
This world will fade and life will change
A/C# D E(add4)
all of this is true but all that matters
A/C# D
is that I matter to You

REPEAT CHORUS

Bridge
D E(add4) A/C# D
