Ghost

Words and Music by David Crowder and Ed Cash

Modern rock ballad  \( \frac{3}{4} = 95 \)

**VERSE 1**

Gm

His ghost is a fire,

Bb

a Holy flame burning wild,

Es

burning through the night,

Gm

burning with the light

 Eb

of a billion stars.
His love is like lightning cracking through the sky and

burning through the rage, burning through the pain of a billion scars.

Get ready, get ready, get ready. All the stories are true.
VERSE 3

His ghost is inside me,
Ho-ly fire burning wildly,

burning through the things
that need to be erased

to liberate my soul.

CHORUS 2

Get ready, there's an empty tomb. Get ready,
there's a ghost in the room. Get ready, even mountains move. Get ready.
Get ready, all the stories are true.

Get ready, there’s an empty tomb. Get ready, there’s a ghost in the room. Get ready, even mountains move. Get ready, all the stories are true.

He’ll heal you.

He’ll heal you.

He’ll heal you.
He'll heal you.

We're ready for Your fire to fall. We're ready for Your voice to call. We're ready for Your lightning to come. We're ready, into Your arms...
we run. We’re ready let the heavens part. We’re ready for the angels’ songs. We’re ready for death be done. We’re ready for Your Kingdom come. We’re ready like a waiting bride. We’re ready for Your bread and wine. We’re ready to burst to life. We’re ready for You to set
things right. So come on! Come on!

We’re ready, we’re ready, we’re ready.
