## Verse 1

Like thunder speaking from the clouds  
Your word is always going out  
Your whisper, I keep following the sound  
Into Your presence

## Verse 2

I get caught up, shadows left behind  
I get caught up, drawn into Your light  
I get caught up, where Spirit is alive  
Into Your presence

## Chorus

Like a child we come running  
Through the halls of heaven  
To the Holy of Ho-lies  
Doors are flung wide open  
Joy is overflowing  
In the halls of Hea-ven  
We come running, we come running  
Through the halls of Hea-ven  
We come running, we come running  
Through the halls of Hea-ven

Un-der, all fear is letting go  
Abandon, a beauty to behold  
I get caught up, I get caught up  
I get caught up
