Verse 1

Em7 Dsus
O how high would I climb mountains
C2 G5
If the mountains were where You hide
Em7 Dsus
O how far I'd scale the valleys
C2 G5
If You graced the other side

Verse 2

Em7 Dsus
O how long have I chased rivers
C2 G
From lowly seas to where they rise
Em7 Dsus
Against the rush of grace descending
C2 G
From the source of its supply

Pre-Chorus 1

C Dsus Em7
In the highlands and the heartache
G2 Dsus
You're neither more or less inclined
C Dsus Em7
I would search and stop at nothing
C2
You're just not that hard to find

Chorus

G D
I will praise You on the mountain
Em
And I will praise You when the mountain's in my way
D C
You're the summit where my feet are
G
So I will praise You in the valleys all the same
D
No less God within the shadows
Em
No less faithful when the night leads me astray
D C
You're the heaven where my heart is
Em D C G
In the highlands and the heartache all the same

Verse 3

Em7 Dsus
O how far beneath Your glory
C2 G
Does Your kindness extend the path
Em7 Dsus
From where Your feet rest on the sunrise
C2 G
To where You sweep the sinner's past

Verse 4

Em7 Dsus
O how fast would You come running
C2 G
If just to shadow me through the night
Em7 Dsus
Trace my steps through all my failure
C2 G
And walk me out the other side

Pre-Chorus 2

C Dsus Em7
For who could dare ascend that mountain
G2 Dsus
That valleyed hill called Calvary
C Dsus Em7
But for the One I call Good Shepherd
C2
Who like a lamb was slain for me

REPEAT CHORUS

Bridge

Em7 D
Whatever I walk through, wherever I am
C2 G
Your Name can move mountains wherever I stand
Em7 D
And if ever I walk through the valley of death
C2 G
I'll sing through the shadows my song of ascent

REPEAT BRIDGE

Tag

Em7 D C2 G
My song of ascent, whoa, whoa
Em7 D C2 G
My song of ascent, whoa, whoa

Pre-Chorus 3

C D Em
From the gravest of all valleys
G D
Come the pastures we call grace
C D Em
A mighty river flowing upwards
C
From a deep but empty grave

REPEAT CHORUS
