53 RAP C Em G C Em G

I know no other name
 I need no other ways
 I need no other grace
 My God will find a way
 I can go all of day
 To the glorious God of Heaven
 Needed a universe for His hall of fame
 Give Him your life, not a holiday

Pedestrian raps
 I give 'em the righter way
 I got the righter way
 I could just ride away
 Into the glory of inner and outer space
 Into the story of how You can moderate

Sinners and sinners and sinners and God
 You just walk into the dark
 You just walk into the heart
 Make it a home and a heart
 Painting Your love on the walls
 You finish whatever You start

I just spend my days right here
 I can put my faith right here
 Livin' in your presence
 Wash away my shame right here

The Son became one of us
 And I became one of His sons
 This is what I want for my sons
 Don't matter whatever that comes
 It's not what you did
 It's what He's done
 Lay hold to the One
 He's holding you, too
 Three times as hard
 Because He foreknew
 High-five the truth
 Six times we fall
 But seven we're new
