C • 79 bpm • 4/4

Chorus

We build walls all around us, all around us
Try to keep what we don't know
At a distance, at a distance
We don't listen
We don't listen

Verse 1

Am Dsus/B Cmaj7

Now if I stood on a corner and asked you for two dollars
for a Whopper would you let your cynicism stop you?
Would it stop you? Would it stop you?
I mean, I mean we spend nine ninety nine on Spotify
but hearing my stomach rumble ain't worth a dime,
worth a dime, worth a dime?
Or if I had suit and tie maybe I'd be worth your time?
Only money on your mind. We all selfish
Ah, Jesus walked with the poor.
Are you too good for that? Kissing up to God in
prayers to get a promotion to make more money
and buy more things that we don't need
We just buy to show off for the next guy
And still feel poor inside. Still homeless as the people
that we just denied. By the way, how many of you
are the least of these? Pride and money are
a slave to them? Cause you ain't gonna be
to pick cotton off the shelf of an H
